

*Winnie*

*BY Daisy Torres*

*Winnie the adorable cat, with Black, brown and white spots.  
She's a cute female cat.*

*She needs a home, she needs a place. A new family to  
play with. Winnie is seven years old if you didn't know.  
Winnie loves chin rubs so give her some chin rubs. So you  
can be the one to adopt her.*

# TITLE

By: arianna l.h

Hi my name is ari and i'm here to tell  
that don't you love theses animals  
because i do and these animals need  
you to take care of them. and they  
want to cuddle with you. and be  
your friend and always will take  
care of you when Your sad. so  
that's why we all are here to say  
that you should be that animals  
owner when you pick it. please  
because there sad that nobody will

**pick them and nobody wants them, or it just because they love you and they want you to feed them and cuddle with you when Your feeling sad or when you don't know what to do there always with you and that why we are all here to tell you to help take care of these animals.that you should pick them as you own. thank you for taking care of these animals that you choose to always be there for them and to always have as your own pet that you pick,thank you for helping this animal shelter**

**because this shelter is special. And  
great at taking care of pore  
animals and sick ones. So that's  
why we all care and you should  
care to. Because this world need  
animals to take care of people that  
are sick and they need people to  
also take care of them when they  
need help on taking a risk for  
caring and loving and hoping that  
they will take care of anyone and  
someone who are very sad and  
very lonely. So that's why people  
and animals should take care of  
each other. THANK YOU FOR**

**HELPING THIS WORLD AND THIS  
ANIMAL RESCUE SHELTER.THANK  
YOU THAT'S IT.**
