

In 2025, your support helped Colorado Animal Rescue (C.A.R.E.) continue growing into what our community needs most: a trusted resource for both pets and the people who love them. Together, we served 924 animals—helping pets find loving homes, expanding services that support families before a crisis happens, and providing compassionate care for every animal in our shelter. **Every hour volunteered, every adoption, and every gift invested in this mission is building a stronger future for our community, and the next chapter of C.A.R.E.'s impact.**
